

THE VICTORIES OF PEACE

Are Greater Than Conquest in War.

The chief designer in a tailor shop like Alfred Benjamin & Co.'s is an artist of the highest order, else he'd never command a salary of from \$8,000 to \$10,000 a year.

Do you suppose that such firms like Alfred Benjamin & Co. or B. Kuppenheimer & Co. would pay fancy salaries to any but the very best talent in the world?

The fruits of brainpower as embodied in the famous clothes is what makes fine dressers insist on either

An Alfred Benjamin or a Kuppenheimer Garment

It is less than 10 years since tailor made mens clothing got the upper hand over cheap sweat shop clothes and it will be less than 5 years when such clothes as

Alfred Benjamin & Co.'s or B. Kuppenheimer & Company's

will drive the ordinary tailor shops out of business, because no ordinary tailor knows what the expert designer of the above firm knows.

Wise's customers get the benefit of Wise's victory in his eastern campaign, when he allied himself with the BEST manufacturers.

Sensible men no longer think of price as the chief consideration. Fit, workmanship and the distinguishing mark of the maker count. The brands BENJAMIN or KUPPENHEIMER are the stamp that meet the approval of the most expert judges.

TEN MINERS ARE KILLED AT THE HILL FARM MINE

Fire That Had Raged Since 1890 Eats Its Way Through Walls and Miners Are Burned to Death.

Connellville, Pa., Nov. 21.—The ill-fated Hill Farm district tonight added 10 more victims to its black record. Just as the day shift had nearly completed its labors and was about to leave the Ferguson mine at 6:30 o'clock tonight a terrific explosion rent the whole mine and 19 miners, who were working in the vicinity, were thrown in all directions. The roof came tumbling down and the close air of the mine

became stupefying. Men rushed in every direction seeking a means of escape, but only nine succeeded in reaching a place of safety. The bodies of the other 10 were found horribly burned when a rescuing party reached them shortly after 10 o'clock. It is believed by mining experts that the fire which had been raging in the Hill Farm mine since the disaster of 1890, broke through the walls and caused the explosion.

SHINGLE DEALERS IN COMBINE

Form Pool at Whatcom That Will Send Shingle Prices 25 Per Cent.

Whatcom, Wash. Nov. 21.—A combination of the shingle dealers of Whatcom county with the State Shingle Dealers' Association, each of whom produce over 25 per cent of the shingle output of the entire country, will, almost beyond doubt, be formed Monday.

Advices from eastern dealers are to the effect that such combination in six weeks will raise the price of shingles 25 per cent in markets all over the United States.

FINAL VOTE ON BILL DECEMBER 16

Washington, Nov. 21.—Republican and democratic leaders of the senate were in conference much of the time today over the question of fixing the time for a vote on the Cuban reciprocity bill, and, so far as they were empowered to do so, entered into an agreement to take a final vote December 16.

There was no opportunity to consult some of the democratic senators who desire to speak on the bill, but it is not doubted that they will assent to the arrangement agreed upon at the conference held today.

WILL LOOK BEFORE SHE LEAPS

Bogota, Nov. 21.—A man prominent in public affairs today informed the correspondent of the Associated Press that the Colombian government would await the results of the mission to

Washington of General Reyes before deciding upon a policy as regards the new republic of Panama. The general opinion here is that there will be war, but the government will first do its utmost to effect diplomatic arrangements.

FORT GIBBON QUARTERS BURNED

Seattle, Nov. 21.—A special to the Post-Intelligencer from Dawson, says: A telegram from Fort Gibbon to the Dawson News states that fire today

made a clean sweep of the military quarters there. The loss is not mentioned, but will probably run to \$100,000 or more. No loss of life is reported.

FOUNDER OF THE P.-I. PASSES AWAY

Seattle, Nov. 21.—David Higgins, who came here from California in 1876

and established the Daily Intelligencer, died this morning, aged 76 years.

AS OLD AS THE PYRAMIDS

That blood poison existed among the ancients has been proven beyond question. It has been traced back thousands of years, and is as old as the Pyramids. This blighting curse has been handed down from nation to nation and from individual to individual till it has spread to all parts of the world.

Contagious blood poison, as it is called in modern times, begins with a small sore or ulcer through which the virus enters the blood. This is followed by inflammation and swelling of the glands of the groins, a red eruption breaks out on the body, sores appear in the mouth and the throat becomes ulcerated, and as the disease takes a deeper hold and the blood becomes more thoroughly infected, the hair and eyebrows drop out, the skin is spotted with copper-colored spots, the bones and muscles ache, and it seems to the victim of this monster scourge there is not a sound spot in the whole body.

HAD ALL THE SYMPTOMS.

Dear Sirs: As a result of a serious blood disorder my blood became poisoned and I suffered severely with Rheumatism and other symptoms not necessary to mention. A friend of mine told me that he had been cured of my trouble by S. S. S., and upon his recommendation I began its use. After using it for some time my blood was thoroughly cleansed of all poison and made pure and strong again. While purging my blood of impurities, it built up my general health, improved my appetite, gave me increased strength, and I felt better in every way.

I am a great believer in S. S. S., and with pleasure commend it to all in need of a blood medicine.

Yours very truly,
ROBERT M. ZWETZIG.
